Copy of letter

Milledgeville 19th Dec., 1884

My dear Judge:

A few years ago you were good enough to send me a table prepared for yourself from the recollections of your grandmother.

I have not forgotten the kindness and as within a few days since a family table furnished by the late George X. Custis to my relative General Jeptha V. Harris, concerning the matter inquired of my me, it has occurred to me that you would find relaxation from the law and grave pursuits in taking a peep for a few minutes into the Herald's College.

I send you herewith a copy of that paper.

Believe me with true regards

Your friend
